

# RE: PLENISH

Re:Plenish is a unique product that provides a proprietary blend of red grape juices including the powerful Muscadine, Syrah and Cabernet grape juices, which provide high levels of antioxidants and resveratrol, and a natural grape pomace powder for added antioxidant benefits.

## BENEFITS

- Supports healthy circulation and immunity
- Provides nutritional support for healthier-looking skin
- The benefits of red wine without the alcohol and excessive calories

*"I love being able to take Re:Plenish in this delicious liquid form. I know it's absorbing the way it's supposed to, and I like knowing that I can get all the benefits from red wine without all the alcohol and calories!"*

- Daniel T.

## WHAT RE:PLENISH PROVIDES

The USDA analyzed 59 fruits, nuts and vegetables, which were analyzed for their oxygen radical absorbance capacity (ORAC) – their ability to combat free radicals. Berries, grapes, chocolate and spices all topped of the ORAC value list.

Re:Plenish contains 3, 776 ORAC units per serving, which falls within the recommended daily amount. It also provides a superior mix of specific compounds, providing both a higher level and better blend of antioxidants to fight free radicals that enter the human body.

## FEATURES

- No added sugar
- Boasts total phenol level of 3564 mg/L – 4x greater than muscadine wine and 6x greater than Cabernet
- Contains specific compounds to support the body's fight against the free radicals
- Natural, highest quality 100% vegetarian ingredients
- Contains no lactose, gluten, MSG, salt, artificial colors, flavors, chemical preservatives, additives or fillers
- Contains no milk, egg, wheat, soy, peanuts, nuts, corn, fish or shellfish

## GREAT FOR PEOPLE WHO

- Don't consume at least 5 servings of high ORAC foods daily
- Want extra support for circulation, immunity and younger-looking skin
- Want to support nerve and brain function
- Has been recommended a supplement with high ORAC levels by a doctor or dentist
- Wants to fight the aging effects of a toxic environment and poor diet
