

KetoneZone™

KetoneZone helps you achieve nutritional ketosis, which can increase energy, improve mental clarity, enhance your metabolism, boost your mood, help you get more restful sleep, and assist with weight management.

FEATURES

- 100% pure D-BHB
- Bio-identical to ketone created naturally by your body
- On-the-go doses
- Easy to share
- Nutritional ketosis achieved in hours, not days
- The only ketone formula with 100% pure D-BHB on the label

“KetoneZone has been a game-changer for revamping my whole lifestyle. I feel sharper and more energetic, and my craving for sugary snacks is practically non-existent.”

- Meryl S.

WHAT KETONEZONE PROVIDES

Vollara's exclusive KetoneZone uses 100% pure D-BHB (Beta Hydroxy butyrate, the natural form of ketones) making it the only ketone formula that has 100% pure D-BHB on the label. This is the exact form of ketone your body naturally produces, recognizes and easily utilizes for healthy energy and increased metabolism fuel.

BENEFITS

- Powers the brain
- Boosts energy
- Improves mood
- Better quality sleep
- Metabolism support
- Maximizes exercise performance
- Enhances focus
- Increases endurance

GREAT FOR PEOPLE WHO:

- Are serious about their workouts
- Battle low energy levels
- Have difficulty losing weight
- Don't like the stringency of achieving natural ketosis
- Are interested in weight maintenance

DOSAGE INSTRUCTIONS:

KetoneZone is designed to work with and without food. We suggest taking KetoneZone on an empty stomach upon rising in the morning. If you exercise, take it before exercising on an empty stomach. Start slow and build. Our Suggestion: If your body isn't used to supplemental ketones, just follow the easy guide below to a great result.

Days 1 – 3:

Take ½ or ¼ packet of KetoneZone the first three days with 14 oz of water. Gastrointestinal upset may occur with any exogenous ketone formula. If this occurs, simply take ¼ serving the following day for up to 6 days.

Days 4 – 7:

Take a full serving the 4th through 7th days with 6-10 oz of water.

Other Ingredients: Citric acid, malic acid, natural flavors, stevia, silicon dioxide

Allergens: Processed in a facility that also processes egg, fish, milk, peanut, shellfish, soy, tree nut and wheat ingredients.

Storage: Keep at room temperature and out of direct sunlight. Avoid moisture.

WARNING: California Residents Proposition 65
