

RE: BALANCE

Re:Balance has 12 strains of healthy bacteria to support and maintain the growth of billions of probiotic flora designed to survive the digestive processes and colonize in the digestive tract to strengthen your body's defenses and support optimum intestinal function.

BENEFITS

- Helps support and maintain the growth of probiotic flora as well as healthy functioning of the intestinal tract
- Supports the body's 'second immune system' by suppressing harmful bacteria
- Produces enzymes essential to proper intestinal function

"I've always been the person drinking bottomless cups of coffee and lately I've been in a never-ending cycle of getting sick and needing antibiotics.

Re:Balance has almost been like a reset for my body!"

- Christina B.

WHAT RE: BALANCE PROVIDES

'Friendly' bacteria in the digestive tract can be destroyed by factors like carbonated drinks, laxatives, birth control pills, coffee, alcohol, aging, stress, and antibiotics. Re:Balance increases beneficial bacteria + enzymes to improve digestion and elimination. It also has added natural whole food sources of FOS (fructooligosaccharides) which act as food for the healthy bacteria, helping the bacteria grow and flourish more rapidly in the body.

FEATURES

- 12 strains of friendly bacteria
- Natural, 100% vegetarian ingredients
- Provides over 4.5 billion units of flora per serving
- Includes patented Magnesium Glycyl Glutamine (MGG), the stabilized form of glutamine—supporting the stability and growth of beneficial bacteria, which is essential to intestinal cells
- Custom formulated Chelate Activated Enzyme Delivery System (CAeDS®) for guaranteed maximum effectiveness

GREAT FOR PEOPLE WHO:

- Use antacids, birth control pills, antibiotics or anti-inflammatory medications
- Eat commercially raised meat or poultry and/or commercially produced dairy products
- Drink a lot of carbonated beverages

RE:BALANCE

SUPPLEMENT FACTS

DIRECTIONS:

Take three capsules daily on an empty stomach with a full glass of milk or water.

Serving Size: 3 capsules Servings Per Container: 80

| | Amount Per Serving | % DV* |
