

RE: VIVE

Mix a packet of Re:Vive with water to create a tasty, fizzy drink that significantly boosts energy, elevates mental focus and supports your health without the unwanted side effects found with most stimulants and drugs.

BENEFITS

- Enhances energy levels and mental focus
- Supports the immune system
- Helps maintain well-being
- Won't cause the crash often associated with other energy supplements

"I used to drink a soda to get that energy kick, but they're full of sugar and chemicals. The first time I tried Re:Vive, I was sold. I always have one mid-morning and feel great throughout the day – no jitters, no crash. I'm always handing packets to my friends!"

- Lindsay M.

WHAT RE:VIVE PROVIDES

Re:Vive contains 50+ vitamins, minerals, enzymes and nutrients that work synergistically to enhance mental acuity, support greater energy and achieve overall well-being.

FEATURES

- Sweetened naturally with Stevia leaf
- Contains 50+ vitamins, minerals, enzymes and nutrients

Made with 3 proprietary blends of antioxidants and enzymes that provide a daily supply of essential vitamins and minerals:

The Proprietary Energy Blend includes:

- **Taurine** - an essential amino acid that provides antioxidant activity and supports mental performance
- **Guarana seed extract** - a natural source of caffeine shown to reduce mental/physical fatigue and support athletic performance
- **Bacopa monnieri extract** - can support cognitive function

The Proprietary Focus blend includes:

- **Ginkgo biloba** - becomes more effective when combined with the guarana seed extract to support cognitive function

The Proprietary Cardio-Immunity blend includes:

- **Acai fruit and grape seed extract** - supports immune system
- **Quercetin** - an antioxidant that occurs naturally in red wine, tea, tomatoes, broccoli and berries
- **Korean ginseng root** – supports immune function and mental focus

GREAT FOR PEOPLE WHO:

- Need an extra energy boost for your day
- Want to maintain a level of mental alertness throughout the day
- People watching their calories and sugar intake

OTHER VOLLARA PRODUCTS YOU MAY ALSO LIKE:

LIVINGWATER

LivingWater generates acid-buffering alkaline water with negative Oxidation Reduction Potential (ORP) for increased antioxidant properties right from your faucet.

HEALTHYSLIPS

Dissolvable CBD strips provide your body quick, precise dose of broad-spectrum, nutrition-rich hemp oil.

PERFECT START

Perfect Start is a low sugar, high protein creamer made from healthy coconut fat that contains MCTs (medium chain triglycerides), which help you feel full, access your own body fat for energy and increase your mental clarity

KETONEZONE

100% pure D-BHB (Beta Hydroxy butyrate, the natural form of ketones) helps you achieve nutritional ketosis for increased energy, weight management and boosted metabolism.
