

ROYAL ESSENTIALS

DIETARY SUPPLEMENT

Royal Essentials is a supplement that combines Royal Jelly, Vitamins C and B12, whole food ingredients and unpasteurized honey to support a healthy cardiovascular system.

BENEFITS

- Natural, powerful, and delicious cardiovascular supplement that is easy to take
- Contains natural, heart-healthy nutrients
- Royal Jelly has been prized for centuries for its rejuvenating properties
- Vitamin B12 is instrumental in supporting healthy homocysteine levels
- Low calorie and low carb - only 5 calories per serving

WHAT ROYAL ESSENTIALS PROVIDES

An natural way to get Royal Jelly, Vitamin C, and Vitamin B12 in an easily-absorbed, low-calorie form.

FEATURES

- Combines Royal Jelly, Vitamin B12, Vitamin C and unpasteurized honey to naturally support the cardiovascular system
- Contains 16,000 milligrams of royal jelly in a base of raw unpasteurized honey per bottle
- Vitamin B12 assists with energy production and supporting the formation of healthy blood cells and homocysteine levels
- Features Vitamin C, which promotes the production of collagen – the protein that supports healthy blood vessels
- Royal jelly is produced by bees and has been used for a variety of health reasons

GREAT FOR PEOPLE WHO:

- Want extra support for their cardiovascular system
- Enjoy natural, whole food supplements
